

### CONSENT FOR PARTICIPATION IN DISTANCE LEARNING

The following are the terms and conditions for the delivery of instruction and curriculum via a computer network, device and/or the Internet (hereafter referred to as “distance learning”). [MM1]

I understand that my child may be receiving group lessons through video or teleconferencing as part of the delivery of instruction via distance learning. By continuing to allow my child to participate in distance learning instruction provided by New Haven Public Schools, **unless I send you notice of my disagreement as set forth below**, I agree as follows:

1. To whatever extent possible, I will make arrangements that my child participate in those lessons in a private space where, other than a parent/guardian, no other individual has access to or is present during the period of instruction. I understand that the purpose of this is to seek to avoid any third parties from obtaining, even incidentally, any personally identifiable information about any other child.
2. I have reviewed the Board Acceptable Use and Internet Safety Policy and the Code of Conduct for Internet and Other Computer Network Access and agree that I will comply with those documents.
3. I agree to the transmission of my child’s image for the purpose of interaction with their teacher and class through a videoconferencing system or other protected online environment. I understand that my child has the option to prevent their picture from being broadcast to the entire group.
3. I understand that as my child participates in distance learning classes, I may see, hear, or be exposed to confidential and personally identifiable information about students other than my own child. I understand that student confidentiality must be respected at all times when participating in distance learning. I acknowledge that it is my responsibility to respect the privacy and confidentiality of this information about all students other than my own child. I agree to maintain the confidentiality of all information that I may obtain about any students other than my own child. I will not access, use, or disclose any confidential information of any student other than my own child. I agree I will not record in any way any portion of any group lesson
4. I understand that in the event that my presence during any lesson causes any disruption of the educational process, this may impact my child’s ability to participate in distance learning. I understand that staff reserves the right to terminate my child’s

participation in distance learning if at any time the staff determines that my presence, that of my child, or any third party or activity, interferes with the delivery of instruction or causes a disruption of the educational process during the distance learning session. If a session must be terminated for this reason, the district can determine alternative means to provide the learning opportunity.

5. I understand that in the course of the provision of group lessons, personally identifiable information of my child may be disclosed to undetermined and/or unknown third parties. Those individuals include the parents of other children receiving the group lessons as well as other individuals who may be in the space where the child is receiving the distance learning lesson. I understand that the New Haven Board of Education has no control over the potential disclosure or dissemination of this information. I hereby waive any claims and actions of any kind against the New Haven Board of Education, its agents and employees, for any such disclosure of my child's confidential information and/or personally identifiable information, including claims under FERPA, as set forth herein.

By your child's participation in this plan, you are agreeing to the terms and conditions below. If you disagree with these terms and conditions, you must provide us written notice of your disagreement. You can provide your child's Principal with that written notice before the start of the 2020-2021 school year. If you are in disagreement, distance learning instruction and curriculum will not be provided to your child and we will determine a different means by which to address your child's educational needs.

We look forward to working with you and your child during this difficult time. Please address any questions to your child's school administration.
